**“Life isn’t about waiting for the storm to pass...  
It’s about learning to dance in the rain.”  
Vivian Greene**

We would like to thank all our families for your continued support and faith as we close off another school year. It was great to have the students back on campus the past few months. Although we do not know what the next few months will bring us, we have the hope that we will once again be together soon.

In preparation for the new school year we are including a few dates for you to be aware of. Also, if you have not done so, please call the school office for an appointment to sign the contract for the new school year. We would like to remind parents that the tuition payments MUST be made through FACTS and registration must be paid in full by August 5, 2021.
