

Hello incoming 3<sup>rd</sup> Grade Students!

I hope this letter finds you safe, healthy, and enjoying your summer vacation. A vacation we all need and deserve. Our bodies and brains need time to rest and refresh for the new school year. Even though our brain may need a rest from schoolwork it still needs to keep growing and developing, even during the summer. So, to help our brain grow and develop more, you will have reading to do during the summer. Your assigned reading is Charlotte's Web. I uploaded the book below; you will need to read it and be prepared and ready to complete some assignments on the first couple of days of school.

Thank you for all your efforts in making sure your brain continues to grow and develop during the summer. This will also help you return better prepared to start the new school year.

We are very much looking forward to seeing you in August. Have a great summer vacation!

If you have any questions, please email me. [arocha@sisaints.org](mailto:arocha@sisaints.org)  
Please reply to my email to confirm you received it.

Mrs. Rocha
